FOREWORD

The past four years have been happy, busy ones for the Class of 1948. As we come to the close of our "happy, carefree school days," we wish to have before us a reminder of our years spent here. This ninth volume of the SPAN has been compiled for the purpose of leaving with the students cherished memories of Natural Bridge.

In addition to presenting the light side, we have tried to give a picture of the varied opportunities open to all at our Alma Mater.

OBLIGATION

On my honor I will seek:
To serve my school and my community;

To prepare myself in body, mind,
and spirit for my duty;

To live the truth and keep faith with
knowledge;

To promote education as the right of
every child;

To labor for the advancement of Virginia,
to bring no reproach upon her, and to emulate those who
made her great among the nations by their loyalty to honor her;

To remember that as a citizen of the United States,
I owe allegiance to the nation and to freedom, democracy
and progress among men.

Accomplishment of 1947-48 Student Government

Due to the addition of the eighth grade, the constitution of the Student Government had to be amended before the officers for the year could be elected. An amendment was adapted to provide that the President should be elected from the highest class and the vice-president from the second highest class.

Joe Perkins, Maxine Watts, and Boyd Mitchell, were candidates for president, and Thomas Branch, Marguerite Swartz, and Charles Gregory were the candidates for vice-president. Campaign posters and speeches flooded NBHS for the week preceding election. When the fateful day came, the students carried on a regular election with voting booth, ballots, and judges. The polls were kept open all day. Joe Perkins and Thomas Branch were the lucky winners.

The installation ceremony was held in the auditorium and followed a plan given in the state S.C.A. handbook. Mrs. Hodges acted as the installation officer and read the obligation, which the participants repeated after her. The President was given a white candle representing pure and shining leadership, the Vice-President was given a red candle representing joy and strength; the Secretary was given a yellow candle, the Golden Torch of Service; the Reporter was given a violet candle, representing wisdom and truth, and the representatives were given the blue candles representing Wisdom and Justice.

Several committees were appointed by the newly elected president. This resulted in establishing monitors on the front walk and on the road in the

afternoon, also in the halls at the end of each period. The Student Government tried a new plan for getting the classes to keep their homerooms clean, and it worked! The committee made out a chart of ten items to be checked, each item counting ten points. Of course, no room had a perfect score of 100 points, but some real progress was made. A satisfactory new dismissal plan was also put into effect.

After the basketball season, the council sponsored a play, "My Wife's Family," and a basketball game between the boys and girls. This game was followed by a cake-walk. The proceeds were given to the school fund.

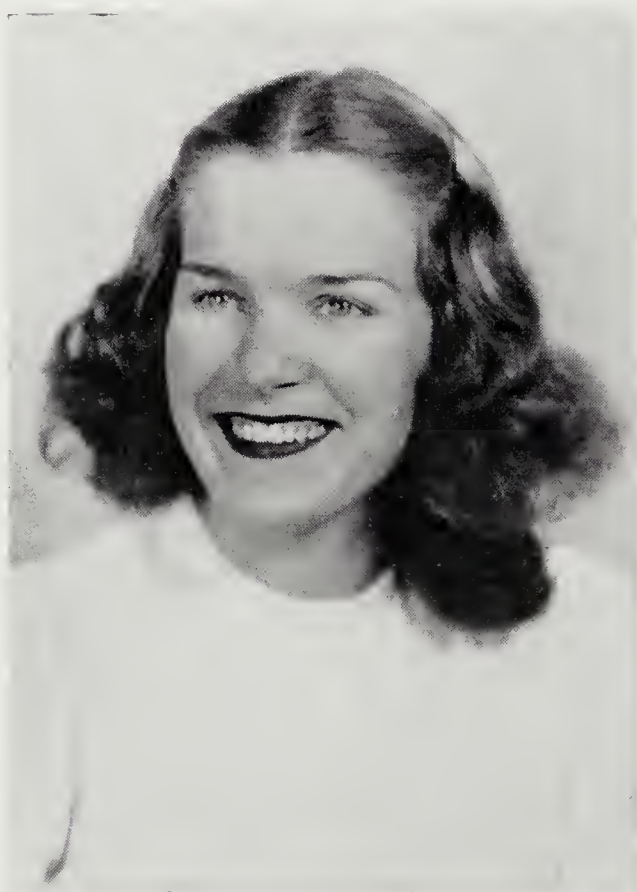

The 1947-48 Student Council became a banner organization by becoming affiliated with the State S.C.A. Joe Perkins and Thomas Branch were chosen as delegates to the State Convention at Fredericksburg. They returned with many new ideas for a better Student Government.

At the beginning of the year, the council found themselves with two constitutions, so they had to combine them into one. Joe Perkins, Maxine Watts, Marguerite Swartz, Helen Johnson, and Barbara Jean Cash rewrote the constitution.

The council members have been very fortunate this year in having Mrs. Hodges and Mr. Childress as faculty advisors. They have shown in a real way their interest in the students. Under the leadership of the faculty advisors, and with the cooperation of each representative and the Student Body, the Student Government of Natural Bridge High School has had a very successful year.

THE CLASS HISTORY

Did you know that we're out in the wide, wide world? We graduated today!
And what memories we'll cherish at N. B. H. S.!

Natural Bridge, Va.

June 2, 1948

Dear Gang:

In the fall of 1944 we arrived at school as meek and frightened freshmen. We were hurried in to the auditorium, where we listened to a long "welcome" speech by our principal, Mr. Strickler. We 65 freshmen were then divided alphabetically into two sections. Miss Smith took over Section A and Mrs. Moore, Section B. Student Council representatives were elected as follows: A—Corrine Austin, Wallace Hickman; B—Edith McManamay, John Smith. Many times during the first part of the year Section A was minus a homeroom teacher, but the last half of the year Mrs. Franklin Francis took over the class. In the way of entertainment, we "mice" were given a party under the direction of Mrs. Moore.

Our haphazard second year was spent in room 201, under the watchful eyes of Mr. Ted Lloyd, and later Mr. Tommy Lauderdale. Because of unsettled conditions of the school, about ten of the sophomore girls spent the winter with Mrs. Moore. How we missed 'em! At the beginning of the year Corrine and Boyd were elected Student Council Representatives . . . Although nothing in the form of parties highlighted our sophomore year, we were constantly entertained by the antics of Wert Faulkner and Wallace Hickman.

Our Junior year was opened by the election of class officers: Price Hodges, President; Boyd Mitchell, Vice-President; Betty Campbell, Secretary; and Eddie Grow, Treasurer. Corrine and Joe were elected Student Council Representatives. This year added Betty Goodwin to our roll, but she was soon married and left us. Nobody liked us! As soon as we got settled with one teacher, she left, and in came a new one. Mrs. White was first, followed by "Old Faithful," Mrs. Ethel Moore, and then last, but not least, Mrs. Clayton. We were very sorry to lose one of our classmates, Nat Massie, to the Navy. On April 11 we gave the Seniors of '47 their annual prom. It turned out to be the most successful party of the year, thanks to the hard work of our entire junior class.

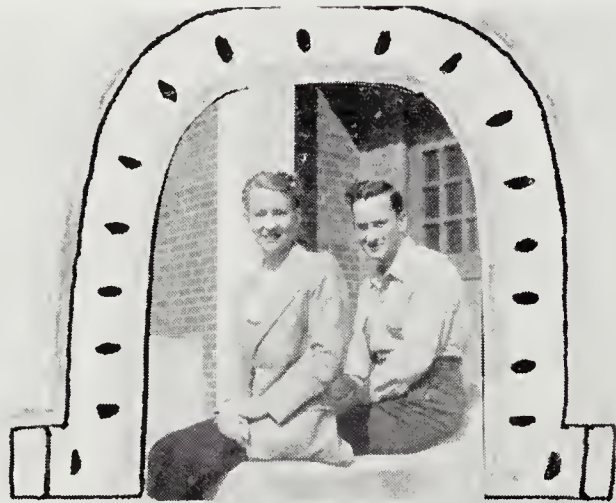

Yea! We were Seniors *at last*. Thirty-four of us took on the work of the wholesome last year of high school. . . . The Senior Class was kept busy raising money for the annual trip. Activities included a cake walk, dances, etc. The Seniors had decided to become radio stars! On March 21 a group of us went to Lynchburg to appear on Station WLVA on a musical program. . . . The entire class enjoyed the party given them by the sophomores. . . . The annual play was a riot! . . . Our banquet was a very formal affair with all the frills and laces of the girls and the bow ties of our handsome boys.

Well, here it is June 2, 1948—the day we have waited for these many years—the day that we receive our diplomas! . . . Sniff! Sniff! So long to our old Alma mater. We will never forget you.

Fondly,

The Library Staff was organized in September, with Mrs. Rosetta Saur as Sponsor. There were seventeen assistants present. Each assistant librarian is responsible for certain Library duties, such as writing overdue slips for all overdue books, keeping the Library neat and orderly, creating interest in new books, checking and keeping records of all outgoing and incoming books, and giving aid in finding references. Attractive decorations were placed on the bulletin board each month to represent all the holidays.

Approximately 200 new books were added to the 1,813 books the Library already contained. Mr. Poindexter gave the school book amounting to \$150.

Even though librarians find each day a busy one, there is always time for fun. Mrs. Saur and her librarians planned a delightful Christmas party.

After six months of service Mrs. Saur left the Library Staff in care of Mrs. Davidson, who finished out the year very successfully.

The Literary Club was continued this year with Mrs. Francis again as Sponsor.

The work of the Literary Club is to develop readers, speakers, and spellers for contests in the State. A contestant from each group is chosen by judges to represent the school in a district contest. If they win there they may enter the regional contest and after that, the State contest, held at the University of Virginia early in May.

One of the projects of the club this year was to try to raise funds for the purchase of a wire recorder for the use of the school.

A black and white photograph of a large group of students, likely members of a school organization, posing in a library or study hall. The students are arranged in several rows, with some seated at a long table in the foreground and others standing behind them. The background is filled with bookshelves. A typewriter is visible on the table in the foreground.

The *Bridge Bulletin*, our standard printed paper, has just completed another successful year, under the competent editorship of Maxine Watts. Catherine Lomax and Joan Thompson held the assistant editorship. Miss Cynthia Knipp was faculty sponsor as well as typist, and Mr. Robert Childress fell heir to the job of managing the ads, which he did most capably.

The activities of the Monogram Club have been limited mostly to raising money to pay for athletic equipment. "All work and no play makes Johnny a dull boy," so the club sponsored a Christmas dance. After so long a time, things began rolling, and it turned out to be rather successful.

Each member wishes to express his most hearty appreciation and thanks to the sponsor, Mr. Robert Childress, for his untiring patience and help that made the Monogram Club a success this year.

The Science Club met for the first time in September. Due to the large number of members it was divided into two groups.

This organization serves as a means by which students can learn more concerning science and cultivate skills and talents along this same line. Besides these, learning to work for the joy of working makes the club members more conscious of their actions.

At a meeting early in November, the Senior Class, with the help of a faculty committee, elected three of the most important members of THE SPAN Staff, editor and associate editors. Other staff members were elected primarily by the Senior Class, with the exception of the representatives, who were elected from each homeroom to assist the staff.

THE SPAN Staff wishes to express its appreciation to Miss Beverly Ryland and Miss Jean White for their loyal leadership, in sponsoring the 1948 Annual.

We also wish to thank Betty Campbell and William Newell for their art work, Mr. Reveley for his help in obtaining ads, Mrs. Tardy for her helpful suggestions, and others who have not been actual members of the staff, but who have helped to make possible the success of this volume. Without these "Unsung Heroes" the annual could never have gone to press on time!

SPORTS

FOOTBALL

The "Blue Atomics" began the 1947 season under the same faithful coach of last year, Robert "Pop" Childress.

The season began with an early practice before school opened. After vigorous training and practice the team got underway by the election of its leaders, co-captains James McCullough and Toby Garrett.

The "Big Blues" almost started from scratch this year because a majority of the squad were Freshmen and Sophomores. There were only five lettermen on the squad, who were all Seniors.

A silver cup was presented to the school by the Ruritan Club of Natural Bridge District in 1945, for the names of the outstanding players each season. The names to be engraved on the cup this year are William Newell, linesman, and Henry Miller, back.

The outgoing seniors who have played their last game for the Alma Mater wish the 1948 team the best of luck for a good season.
